

Dear Parents, Pupils and Staff,

This week has been quite different with transition being the main event of the week. Year 6 have had the opportunity to visit their new schools and from the feedback that I have been receiving they have all had an excellent experience. However, it has been very strange without them all in school.

All other year groups have had the opportunity to spend time with their new class teachers in their new classrooms. They have all managed the transition so well and we are very proud of them for showing so much resilience.

I appreciate that it has been quite challenging for you all with the last minute changes to the transition week but appreciate your patience and understanding.

Thank you to all parents who attended the open evening on Wednesday, it was lovely to see so many of you, I apologise to those parents who attended in the evening that I was unable to greet due to having to attend a pre planned Governors meeting, I hope to have the opportunity to catch up over the next week or so during morning drop off and after school.

Wednesday was also our well being day for staff. Mrs Lewis and other staff members ensured that the staff all had a drink and a chocolate treat through the morning. It really brought a smile to everyones face.

I hope you have a lovely weekend.

Yours sincerely,

C Dawson
