

Dear Parents, Pupils and Staff,

What an incredible week here at Arthur Bugler! The week started with some of the KS2 children representing the school in the Thurrock poetry competition held at Corringham primary School, Congratulations to all of the children that represented the school. Every single performer was INCREDIBLE and they should be very proud of everything they achieved! We now set our sights to the Final next week, where we will have three groups competing! Keep your fingers crossed!

Tuesday was a day filled with fun and competitiveness. It was great to see so many parents, carers, family members and friends coming out to support the children on sports day. It was an opportunity to encourage sportsmanship and resilience, which the children had in bucket loads. Well done to those Mums and dads that also joined in with the parents race, thank you for being good sports!

Keeping up the sporting celebration the cricket team have also been successful this week. We have had two great wins for our cricketers. The girls beat Woodside by 23 runs and the boys beat Tudor Court in a thriller by 8 runs!

Sports week has been a real success, children have had an opportunity to try different sports, learn about staying healthy and find out about dancing around the world. This is only achievable because of the hard work and planning to ensure the week run smoothly, so I would like to say a huge thank you to all staff for their support and effort but most importantly Mrs Fenner who has organised all of the events. I would also like to thank the PTA for providing the refreshment stall and an ice pole for every child.

Our wonderful kitchen staff have been awarded a 5* Food Hygiene rating from Environmental Health. They have worked extremely hard, especially this week without the use of their gas cooker. By way of an additional thankyou they were presented with flowers from the Headteacher. We are back to our usual school menu next week, and we will return on week 1.

By

I would also like to say a huge thank you to the PTA and volunteers who work so hard all year round to make sure that the events all run as smoothly as they can. Without all of the volunteers these events could not happen. The fete was a wonderful day that helped to bring our school community together. In addition to this they managed to raise a whopping **£3834.40!!!** Well done!

Finally, one of our Year 3 students has written a poem he wanted to share, it's called Bouncing Beach Ball. What a great poem it is and it really made me feel like I wanted to be at the beach, enjoying the sunshine. I hope you all have a lovely weekend and enjoy the poem as much as I did.

Bouncing Beach Ball

Melted dripping ice cream
Bright sun gleaming on your smiling face
We can make sandcastles
Sparkling sea gleaming like a diamond

School is out
Summer is in
Licking lollies
Not without a grin

Swimming in the big big sea
We're seeing something
You may see some manta rays
And jellyfish that sting

We may see a bouncing beach ball
Maybe we can play
Or we can be sunbathing
In any kind of way

Yours sincerely,

C Dawson

Interim Headteacher
